

## East Midlands Police and Crime Research and Development Plan (V 18.4.18)

Priority theme	Focus / Research Question(s) development	Current Action (to be updated / refreshed quarterly)	Location / leads	Date (s)
Wellbeing	Police Transformation Funded project on line managers' management of staff wellbeing, involving psychological screening and independent evaluation (Maryland Scale Level 3) managed by Catherine Owens (College of Policing).	Initial discussions hosted by Lincolnshire HQ to seek expertise on psychological screening design.	Lincolnshire Police HQ, hosted by Julie Wilkins. Support from Nottingham Trent, Nottingham, Leicester and Northampton.	3/5/18
Mental Health	Initial stage: To consider how agencies should work together for best outcomes and challenge presumption that policing should be primary response for many MH incidents	Initial Roundtable, to problematize and explore holistic best practice across agencies. From the roundtable, specific research questions are sought. Dr Laura Knight (Northampton) also offers to integrate evaluation learning on mental health triage studies.	led by Chris Davison, Lincolnshire Police, University of Leicester, University of Nottingham (hosts) & Michael Brown, College of Policing, Laura Knight, University of Northampton	5/9/18
Crime harm in EM region	Dr Matt Ashby is seeking access to data (LSOA, date/time, HO offence code) in order to submit a funded ESRC project to map crime harm across the region.	Research bid submission – data access permissions required. DCC Naylor approaching forces' DCCs for data permissions.	Led by Matt Ashby (Nottingham Trent University)	
Early intervention	Dr Laura Knight (Northampton) has existing Nuffield funding for identifying effective interventions for early intervention to offending.	An initial roundtable to coordinate various strands of work across the region and beyond, and include a request to develop more 'holistic data sets' by Insp. Caroline Graham (Leicestershire Police), the purpose being to inform prevention of crime / safeguarding	Laura Knight (University of Northampton)	R/T DTBF
Understanding demand	Supt. Mark Housley, Programme Director for Demand Management @ Lincs Police, seeks best practice and innovation for improved practice in understanding and managing demand. Link to HMICFRS statement.	An initial roundtable, to gauge existing knowledge and best practice, e.g. rostering and predictive tools from Loughborough to see what can be operationalised and what further research might benefit.	Lincolnshire Police HQ. Supported by Prof Lisa Jackson (Loughborough University), Dr Matt Ashby (NTU), Prof. Andy Newton (University of Leicester)	R/T DTBF
Custody risk	Insp. Duncan Collins, Custody Manager @ Notts Police seeks existing best practice and knowledge for scoping / implementation and identifying any gaps for future research to improve custody practice and efficiency	A new custody suite is being developed by Notts Police. Prof Lisa Jackson (Loughborough University) is working with Insp Collins to map existing knowledge that could be operationalised. Knowledge gaps to be identified for further research.	Loughborough University with Custody Management	Live
Volunteers and Specials	Dr Laura Knight (University of Northampton) has existing funded research piloting across 19 settings and is seeking to deliver workshops across EM region to deliver impact on professional practice	Workshops to deliver improved professional practice across region. Also, findings from existing work by University of Derby on police cadets to be integrated (Tony Blockley, University of Derby).	Dr Laura Knight, University of Northampton. Supporting EM regional lead for PSV / Specials.	
Intelligence & Analytics	Informed by previous EMPAC Roundtable (12/12/17 @ EMSOU), purpose being to stimulate innovation and best practice efficiency in policing's use of analytics.	Further developing the R/T workstreams and working with NPCC (Dr Ian Stanier) on a review of NIM, Prof Andy Newton (University of Leicester) is scoping a follow-up R/T for coproduced research with EM region's DoI's (SPOC - D/Supt Dave Kirby, Derbyshire FIB)	Prof. Andy Newton (University of Leicester), Dr Ian Stanier, NPCC (Intell), D/Supt Dave Kirby.	Nov 2018
Community Engagement	Dr James Hunter (NTU) has existing, funded research ready for roll-out impact	Extended piloting of funded existing project and roll out for improved professional practice across EM region. The research has been adopted nationally by the College of Policing.	Dr James Hunter, Nottingham Trent University	
Digital Policing	Prof. Matthew Hall (University of Lincoln) has called for a R/T to review and integrate learning and identify knowledge gaps in blue light interoperability	R/T to integrate existing blue light 'interoperability' knowledge, including work by Nick Howe and Dr David Hicks (University of Derby) that has been applied in W/Mids Police area and identify next steps in impact and / or further research.	Prof. Matthew Hall, University of Lincoln	
Restorative Practice	Prof. Kerry Clamp (University of Nottingham) seeks EM region piloting, using existing expertise from Terry O Connell	Survey and pilot across EM to be scheduled – liaison with EM forces SPOCS, and R/T to coordinate activity.	Prof. Kerry Clamp (University of Nottingham) To support <i>Local Policing 2025 Vision</i> and EM	7/9/18

## East Midlands Police and Crime Research and Development Plan (V 18.4.18)

	(New South Wales Police)		CJB.	
Domestic Abuse	Sarah Norburn, DA coordinator (Lincs Police) seeks evaluation of DVPN/Os. Linked to regional DA forum, chaired by D/Supt Jan Helm (Northamptonshire Police)	Evaluation workshop to be scheduled for funded existing project	Sarah Norburn, Lincolnshire Police HQ, supported by Universities of Derby & Leicester	DTBF
Hate Crime	Prof. Neil Chakraborti (University of Leicester's national Hate Crime Centre) to host R/T to coordinate best practice application in the EM region and identify knowledge gaps.	The proposed R/T will support the national portfolio on Hate Crime 9PCC Hardyal Dhindsa) and will include disability hate crime and social media abuse.	Prof. Neil Chakraborti , University of Leicester, supported by Nottingham Trent University	
Rural crime	Prof. Rob McCusker (DMU) offers to host a R/T to draw together existing knowledge and identify research gaps	Roundtable. To support the National Rural Crime Network and NPCC national portfolios (DCC Naylor) (includes wildlife crime)	Prof. Rob McCusker, De Montfort University, supported by University of Nottingham	July 2018
Modern Slavery	New East Midlands Police Modern Slavery Forum, to coordinate best practice and identify new research to fill knowledge gaps. Coordinated via the NPCC portfolio on Slavery and regional lead (DCC Haward @ EMSOU)	Previous R/T at the University of Nottingham 26/3/18) identified benefit of regional forum. Next forum meeting to be chaired by DI Harry Dick (EMSOU). Ongoing liaison with Roger Bannister, CEO of GLAA (Nottingham) to complement GLAA research capacity. To integrate data sets developed in Essex Police.	Forum including EMSOU, Universities of Nottingham and De Montfort, supporting the NPCC portfolio on Slavery.	8/8/18
Practitioner Research	Workstream is to develop best practice in policing practitioner research and accreditation, supporting advanced practitioner roles to support a modern workforce, building on existing expertise in EMPAC Fellowships	R/T proposed to further develop senior practitioner development, & CPD (linked to PEQF) and Student Fellowships to support a modern workforce	Dr Rebecca Thompson, Nottingham Trent University	EMPAC Fellows Cohort 1 Graduation event 26/9/18
Innovation	Existing force-level development led by DCC Gary Knighton (Derbyshire) to develop a more innovative workplace culture in policing.	Existing force-level work, suitable for regional expansion. Derbyshire has been supported by the national NHS 'The Edge' team prof Simon Moser (University of Nottingham Ingenuity Lab). Follow up event in late 2018 to be hosted at University of Nottingham and opened to region to share and stimulate research-informed best practice.	DCC Gary Knighton, Derbyshire Constabulary HQ supported by Simon Moser, University of Nottingham and The Edge Team. Regional development to be supported by University of Leicester Innovation Hub.	11/7/18
Informing learning and development	Peter Ward, EM regional lead for L & D and national chair for L & D, seeks to develop best practice through research to deliver PEQF CPD and Fellowships (complements Practitioner Research workstream led by NTU).	Regional R/T being scoped to help coordinate and disseminate other linked work by MOPAC and the Open University. Aligned to PEQF workstreams, including CPD and Fellowships development. Seeks to develop best practice in professional network support.	Peter Ward, Leicestershire Police HQ. Supported by Derby, Lincoln & NTU.	DTBF
